Counters & Showcases

- **In-Stock** - Prestige counters and showcases are in stock for immediate shipment. Custom Cabinetry typically takes 4-6 weeks for delivery.
- **Increases Sales** - Many sales opportunities for custom cabinetry occur during the lengthy quotation process. By providing your customer with the Prestige line of counters and showcases, you know the cost, they're ready to ship, and you get the order!
- **Design** - Our six new counter and showcase configurations allow you to create virtually any counter layout. Straight, L-Shape, or kiosk designs can be easily designed by your design staff or with our easy to read plan-o-gram.
- **Freight Cost** - Prestige counters and showcases ship class 65. Fully assembled counters and showcases ship class 125 and must also be packaged in costly crates.

Prestige Cabinets Floor-Plan Diagram

Follow these instructions to design your own counter layout. All squares represent a 2' length of counter space. For example, two squares equal 4' of space, three squares equal 6' of space, etc. The large rectangle (adjacent to the wall) represents either a 4' counter or showcase. For right hand wall applications, simply reverse the layout. All indicated sizes are nominal. Check your prestige brochure for

- Plot location of 2' wide register stand.
- Plot location(s) of 4' counter(s).
- Plot location(s) of 6' counter(s).
- Plot location(s) of 4' showcase(s).
- Plot location(s) of 6' showcase(s).
- Plot location of corner blocks.
- Plot location of entry space (on kiosks).
